## **Cover Letter – Project Manager**

Dear Sir / Madam,

I'm writing to you in response to your job opening on your website (commandcommissioning.com) Project Manager position. I have enclosed my CV to support my application; kindly don't hesitate to contact me if you needed any additional information.

I'm a software manager polymath with over 13 years of hands-on, cross-departmental experience:

- Managed business solutions department in a regional IT company and expanded the company markets to cover Iraq, Jordan, Libya, Algeria and Morocco.
- Established an IT company (ImprintTech) and develop the business model, SWOT analysis, marketing plan and projects plans.
- Developed and implemented Document Management System and Inventory Management System in Iraq and Libya
- Managed an IT company to develop a class room management solutions on IPAD (kalboard360.com)
- Managed the online services department in ART (Arab Radio and Television) and got 2 awards on our product (ARTOnline.tv portal).

Appreciating the time you took to read this letter, and looking forward to hearing from you. Please feel free to contact me on my phone at (00962) 78 6258429, or email at zidanyounis@gmail.com, for any further details or to arrange for a meeting at your convenience.

Best regards,

Zidan Basim Younis
